

Volunteer Orientation

Welcome to the F.A.M

We are so excited that you are interested in getting involved in the New Fostering and Adoption Ministry (FAM) at Eden Church. This event is to train you on the different roles that are available in this ministry. We are excited to launch this ministry in the coming weeks and your willingness to serve will be the key to our ability to develop care communities and serve different families in our community.

What is a Care Community?

An engineered team, much like an extended family, of 4-8 committed and equipped volunteers who support and serve a foster, adoptive, kinship, or safe family and all the children in their care. This team provides regular and ongoing help such as providing meals, tutoring, childcare, transportation, laundry, yard work, etc.

Who is Clement Care?

Clement Care is a partnership between Clement Arts, Promise686 and local churches who seek to establish foster care ministries within their congregations. They believe the local church is the best answer to the foster care crisis. Clement Care exists to advocate among the Church at large in order to shine a light on issues pertaining to foster care.

Who is Promise686?

Promise686 is another non profit organization that mobilize church communities to care for vulnerable children. They provide educational resources to church advocates and volunteers to build care communities.
